Mesa/Gilbert, AZ | alison@agluxe.com | 602-819-4575 | @your.techy.hype.girl | agluxe.com

PROFESSIONAL SUMMARY

Beauty and wellness business strategist with 15+ years of experience across operations, administration, healthcare systems, customer service, workflow tracking, and confidential documentation. Combines operations expertise with 5+ years of digital marketing and systems experience, including social media strategy, website support, booking platforms, automations, client-experience workflows, and short-form video creation. Experienced in CapCut editing for Instagram Reels and TikTok, creating brand-aligned video content that supports visibility, engagement, and client conversion. Skilled at turning growth ideas into organized systems that support team efficiency, service expansion, marketing alignment, and a smoother client journey.

PROFESSIONAL EXPERIENCE

Business & Tech Systems Strategist / Owner

AG Luxe Lab | 2021 - Present

- Edit and produce short-form Reels and TikTok content in CapCut, following client brand guidelines, hooks, and creative direction.
- Consult on backend systems for beauty, aesthetics, wellness, course-based, and local service businesses.
- Build and refine websites, booking flows, service pages, forms, CTAs, SEO copy, automations, and client follow-up systems.
- Create SOPs, workflow checklists, content calendars, launch plans, and reporting dashboards.
- Support operations cleanup, admin organization, marketing coordination, event/webinar logistics, and implementation projects.

Social Media & Marketing Operations Support

Aesthetic Nurse / Medspa Client | Gilbert, AZ | Nov 2024 - Present

- Create and edit short-form video content in CapCut for Instagram Reels and TikTok.
- Develop content strategy, SEO-focused captions, educational posts, booking CTAs, and trust-building service content.
- Support service positioning, launch messaging, local SEO, brand consistency, and client inquiry flow.

Technical Virtual Assistant / Systems Support

Lash Artist & Educator | Mesa, AZ | Aug 2024 - Present

- Built and organized Shopify website structure for lash courses, retail products, booking, SEO, and client conversion paths.
- Implemented course delivery and onboarding systems using Shopify, Thinkific, Omnisend, contracts, and post-purchase workflows.

Co-Founder, Community & Events Strategy

The Beauty Club | Phoenix Metro | 2024 - Present

- Co-built a women-entrepreneur networking community with monthly events, speakers, vendors, and social content.
- Support event planning, community touchpoints, content ideas, and visibility-building conversations for local business owners.

Professional Experience, continued

Credentialing, Compliance & Operations Background

Healthcare, Dental, Finance & Customer Service Roles | 2009 - Present

- Bring 15+ years of administrative operations, front-office support, data accuracy, scheduling, documentation, compliance, and cross-functional communication.
- Experienced with confidential records, provider documentation, workflow tracking, team follow-up, and deadline-sensitive operational support.
- Comfortable moving between customer-facing communication, backend organization, technology tools, and real-world service team needs.

LICENSES & TRAINING

AZ Eyelash Technician License: ETR-001510 | Licensed
November 2024

Esthetician Program: Studio Academy of Beauty, Chandler |
Starting June 2026

KEY STRENGTHS

- Turns messy growth ideas into clean, usable systems that teams can actually follow.
- Understands the connection between beauty-industry client experience, marketing, video content, and backend operations.
- Acts as a bridge between owner vision, provider flow, staff execution, and client-facing communication.
- Highly organized, tech-savvy, detail-driven, self-directed, and comfortable with evenings, weekends, fast pivots, and real-world salon pace.

TARGET ROLE FIT

Best aligned with roles that blend beauty/wellness operations, front-office leadership, content creation, video editing, client experience, scheduling systems, provider support, and practical business implementation.
